

**GPSC Line Policy for the March 8, 2008
Duke vs. UNC Men's Basketball game
at Cameron Indoor Stadium**

The GPSC Basketball Ushers will begin monitoring the line at 9:00 PM on Friday, March 7. If a line exists before this time, the students in line must regulate it themselves.

Initial Check-in

You must have your DukeCard in order to check in to the line. If you do not have a graduate or professional student DukeCard or a DukeCard for spouses/partners of graduate and professional students, you will not be allowed to check-in. There will be two lines in which to sign-up: a line for ticket card holders and a walk-up line. In order to sign into the ticket card line, one must show a ticket card as well as a DukeCard. During your initial check-in to the line, you will be assigned your number in line. If you do not have a line number, you are not checked-in to the line.

Line Monitoring

Once the Committee has begun monitoring the line, random checks may be conducted. ONE unexcused absence from a check will result in the loss of one's place in line. Should an individual be removed from line, it is that individual's responsibility to find out they were removed from line and sign back in at the current end of the line. Each random check requires one present one's own graduate or professional student DukeCard or DukeCard for spouses/partners of graduate and professional students.

Exemptions

There will be NO exemptions from the line granted by the basketball committee.

Alcohol

All individuals must abide by the University Alcohol Policy. No kegs are allowed on campus.

Site Clean-up

Before any students can enter Cameron Indoor Stadium, the entire line site must be cleaned. All trash must be collected and all tents and other personal gear should be taken away. Time will be provided prior to entering the game for the removal of tents and disposal of trash.

Failure to abide by this policy, the instructions of the GPSC ushering staff, or the instructions of university officials (such as the fire marshal or police) can result in loss of place in line as well as being refused entry into or dismissal from the stadium. The GPSC Head Ushers reserve the right to make exceptions to this policy for emergency situations.
